2022/04/06	Kenya	<b>Josephine gave the following update re. her husband. They look after an orphanage in Kenya. Some of the members in the GCI-Atlantic are helping with financial support and many - prayer support.</b>
<p>"In one accord we say a HUGE THANK YOU, God bless you abundantly.  Thank you very much for your prayers to my husband James. <b>He has recovered from malaria</b> which the symptoms are;  fever with chills; body weakness; joint pains; lose of appetite; nausea.  <b>The stroke was systemic stroke causing facial palsy</b>, which attacked him one side of the face making the mouth to go the other side. But as by now we thank God as he visits hospital daily <b>the mouth has been reversed to normal and now is okay.</b></p>		
2022/04/05	AB	<b>Kevin Vey – John Vey's brother</b>
<p>"He just had another checkup and all appears to be good. He asked me to pass along his appreciation for all the prayers and I share his thoughts. Thanks to all in praise to our merciful God. (Original prayer request in August 2021 <i>"John Vey's brother Kevin was tested following cancer treatment. John wrote, "His tests all came back negative, lungs and brain are clear. They are going to do some further treatments on the brain just as an extra bit of caution. They told Kevin that if the cancer returns it is usually in the brain".</i></p>		
2022/03/28	Kenya	<b>Josephine wrote the following:</b>
<p>"Thanks for your prayers my husband has recovered from malaria only re-covering slowly from the stroke as he continue visiting the hospital for medical checkup."</p>		
2022/03/27	Kenya	<b>Prayer request for James Nyaboke Omari, the husband of Josephine.</b>
<p>They take care of about 16 children in an orphanage which some GCI members in the Atlantic area have been supporting for several years now. Just received news this past week of his hospitalization. Not sure what his condition is. It is just known that he is in the hospital presently. His wife will update us later.</p>
