Prayer Requests August 2022

Date	Location	Prayer Requests
Aug 29	NB	From Betty Melanson for her husband Michael
<p>"I would like to ask for prayer for Michael. He has had some inner ear issues for the last few days (right side). It got bad enough for him to make a trip to the emergency department yesterday. They did a few tests and think that he has tinnitus. The doctor has also sent in a referral for him to see an ENT (otolaryngologist) specialist. However, that may not take place for a very long time. Especially, with things being so backed up."</p>		
Aug 29	NS	Update from Keith and Pat Crouch and a thank you note
<p>"My appointment for day surgery has been postponed until Sept.14. Pat and I would like to thank everybody for cards prayers and phone calls. We especially thank the Toronto church for the card with all the signatures on it. It was refreshing to see the names of people we attended church with for so many years."</p>		
August 20	NB	Prayer request for Michael and Joanne Cunningham
<p>Your prayers are solicited for Michael Cunningham who has become very ill. Also, pray for his wife Joanne who is acting as a caretaker. They are both very thankful for the care he received from the extramural nurses and other medical personnel. Their son Mark is also a source of loving care for them. Most of all, they both look and entrust themselves in the hands of our loving Lord as they live through this most difficult trial.</p>		
August 17	India	Prayer request from Suresh Vemulapalli
<p>We came to know pastor Suresh and his wife Roja as their son, Swithin, is taking a pilot's course in Dieppe, NB.</p> <p><i>"Could you please pray for the protection of pastor Zechariah and church members in a village in Andhra Pradesh. Many years ago, church came into existence in the village as a result of conversion of a family, Zechariah. He later became an elder in our village church. After a couple of years, the Lord called him into full time ministry and he has a burden towards his village people. He received Bible teaching and training few years back and started conducting prayers at his home. As a result and by God's grace, few of his village people became believers. When they are need of church, we helped them to build a Church. In this village, congregation is steadily growing in the past few years.</i></p> <p><i>Recently, some anti-Christians are attacking the church building by throwing stones in the night time. It happened a couple of times- vandalising windows and main entrance of the church. Due to this, they are conducting worship services by closing the main door; Even while the believers are conducting service inside the church, someone has thrown huge stones at the door and ran away.</i></p>		

To protect the believers and church building, we plan to erect grill around the church building. Could you please remember this congregation and pastor in your prayers.

August 1, 2022	Philippines and NB	Prayer request for Gerald Ardornado and his family
<p>Gerald is moving to St. John NB to complete a master's degree, I believe in business. They are members of GCI. They are scheduled to arrive in Saint John on Aug 12. But they have not been able to find an apartment to stay in yet. They will know tomorrow if the apartment they have applied for will be made available to them. He and his wife have two children who are 13 and 11, I believe. If they cannot secure an apartment by the time they arrive, he has rented an Airbnb.</p> <p>Please pray that they will be able to find an apartment close to where the children will be going to school and he to university.</p>
